

## Digital and Screen Print Warranty

To register and activate your ten year warranty, please complete the [product warranty form](#). This information is strictly for use by Metro Performance Glass and will not be given or sold to any other party.

**Metropolitan Glass and Glazing Limited and its subsidiaries (Metro Performance Glass), warrant that all TempaClad, TempaScreen & TempaPrint Ceramic Enamel (Fritted) Toughened Safety Glass manufactured by Metro Performance Glass are in accordance with AS/NZS 2208 and that;**

1. The glass is fit for all purposes for which they are commonly supplied and
2. Are acceptable in appearance and finish to the standard referred to in AS/NZS 4667, and
3. Are safe and durable to the standard referred to in NZS 4223.

**In addition to statutory guarantees Metro Performance Glass warrant that for a period of ten (10) years from the date of manufacture, the glass will not;**

1. Suffer from loss of thermal or mechanical performance characteristics as defined in the relevant Standard e.g. AS/NZS 2208.
2. Suffer from cracking, peeling, or deterioration of the ceramic coating under normal conditions.

In the event that the above occurs, Metro Performance Glass will re-supply as supply only replacements the defective glass, and the warranty period will extend to the re-supplied glass for a further period of ten (10) years from delivery.

**Metro Performance Glass advises that TempaClad, TempaScreen & TempaPrint carry a guarantee of acceptable quality and a guarantee that the goods correspond with Metro Performance Glass's description of them, but Metro Performance Glass will not be liable under the guarantee of acceptable quality for any loss caused as a result of:**

1. Any act of default or omission of, or any representation made by, any person other than Metro Performance Glass or the employees or agents of Metro Performance Glass
2. Any cause independent of human control, occurring after the goods have left the control of Metro Performance Glass

**This warranty shall not apply where any one or more of the following circumstances exist:**

3. The glass edge or surface is damaged by improper handling, storage, glazing or through exposure or contact with any chemicals.
4. The glass or ceramic coating is altered in any way.
5. The glass is subject to high edge or surface impact
6. The glass has excessive stress around holes or notches due to incorrect mechanical fixing techniques
7. The glass is subject to abnormal stresses from the load application of bending, heat, excessive vibration, building or foundation movement or the failure to provide adequate expansion or contraction provisions in the framing members.
8. The glass is subject to repetitive temperature cycling with temperature differentials over

200 degrees Celsius.

9. The glass is not glazed in accordance with NZS 4223
10. The ceramic coating is exposed to geothermal environments
11. The ceramic coating is used on surface 1 to the exterior
12. The ceramic coating is exposed directly to water inside a shower, bath or spa

Metro Performance Glass reserves the right to inspect in the field any glass which is alleged to be defective and which is subject to a claim under this warranty or under the Consumer Guarantees Act 1993.

**This warranty does not limit or affect any rights a domestic purchaser may have under the Consumer Guarantees Act 1993 ("CGA").**

**Please note that, where product/glass is supplied for the purpose of business, the guarantees contained in the CGA do not apply. Further, if the Customer on-sells the goods it will contract out of the CGA (and any other consumer law) to the extent permissible by law effectively and in writing wherever the goods are on-sold for the purposes of the Customer's customer's business. For buyers who re-supply the products/glass in trade, Cl 8. of the Metro Performance Glass Standard Terms and Conditions of Trade of will apply in full .**
